Im current active duty Navy, Im stationed in Naval Support Unit and trying to do most of the leg work to get the right information and updating my records.

Description

Im trying to update my awards while part of Naval Mobile Construction Battalion 40. I can not find any of the unit citations and awards during the time of 2005-2012. I was hoping to get a copy of the unit citations and awards for this unit. I would appreciate the help.
